Dear mr. Yordanov,

Last week we had the pleasure of receiving your kind letter in which you extend your appreciation for the contribution of Professor André den Exter in your Attorney's Training Center *Krastiu Tsonchev*.

We are very much aware of the importance of spreading and sharing our scientific knowledge as broadly as possible in order to help solve complex problems in society. Professor Den Exter's contribution to your course is an inspiring example of co-creating knowledge. To be informed that the lectures given by one of our esteemed professors are so successful and well-received makes us very proud.

We wish you all the best regarding your Medical Law course and we are more than happy to be of assistance in the future.

The Executive Board of Erasmus University Rotterdam,

K.F.B. Baele MSc
President
